Don't Miss the Most-Anticipated Multidisciplinary Robotic Surgery Event of 2023!

In-Person and Virtual Attendance Options Available

We know you've heard about it, because it is the only global, multidisciplinary robotic surgery event of its kind, and far from your average robotic CME course. So, if you haven't already, it's time to reserve your spot (in-person, virtual, and on-demand options available) at [SRS's 2023 Annual Meeting](https://www.srs.org/2023).

There's just no other gathering like it. At [#SRS2023](https://www.srs.org/2023), you will:

- harvest the latest insights from new robotic company executives
- gain hands-on experience with the newest robots in the industry
- discover new robotic ancillary equipment
- network, reconnect and mingle with colleagues and peers

Quite simply, it's a can't-miss event hosted in an incredible venue!
